PRICE LIST OF AFRICAN VIOLET ROOTED LEAVES

Prices effective until February 1957

Plants available in PINK CELEBRITY and SHOW STAR only.

PLEASE READ CAREFULLY BEFORE ORDERING: Prices listed are for leaves rooted in vermiculite. Most have a good root formation and many of the 35¢ varieties have small plants formed. Please name substitutes whenever possible, or occasionally fresh-cut leaves may have to be sent. We do not substitute unless absolutely necessary. Orders received from June 10 through November 1 (the end of our shipping season) are usually mailed within 7 to 10 days of receipt. Orders received from November 1 until February 1 will be acknowledged and booked for Spring shipment (starting April 1). Our 1957 list will be ready by March 1957

PLEASE NOTE: To speed delivery, all orders are sent by first-class mail, using blocks of commemoratives. No orders are accepted under \$3.00, and on orders below \$5.00 please add 50¢ for postage and packing. Airmail is 35¢ extra up to a \$5.00 order and 5¢ more for each \$1.00 of the order above that. We guarantee safe delivery anywhere in the United States. Unused stamps cannot be accepted as payment.

All leaves are labeled and true to name. Variegated varieties may bloom a solid color at first, but many come variegated later. If any fresh-cut leaves must be sent, we always include extra rooted leaves of choice new varieties.

IMPORTANT

Our business is almost entirely in rooted leaves sold by mail. Only in this way can we give our customers as quick service as possible. However, the greenhouse is open every Friday morning to sell rooted leaves to the local trade and others.

Of course, if you are in the area anytime and wish to see me, please don't hesitate to stop. If I am at the greenhouse or my office next to it, please knock or ring the bell so I'll know you want me. Of course, we are very busy in the Spring and early Summer, but at other times of the year we'd be glad to have you drop in. The greenhouse and office are located on Route 19, one mile south of Warsaw.

SHOW STAR -- New Low Prices!

All SHOW STAR plants we sell are guaranteed to be true
and to keep blooming true!

PINK FLOWERS WITH PERFECT BLUE STARS
PROPAGATES TRUE FROM LEAVES!

IT WAS THE MOST OUTSTANDING AND UNUSUAL VARIETY
SHOWN AT THE 1955 NATIONAL AFRICAN VIOLET SHOW
IN PITTSBURGH!

RETAIL PRICES: Medium to large plants, \$1.75 each.
Small plants (5 to 7 leaves), \$1.00 each

WHOLESALE PRICES(SHOW STAR only): Budded or bloom-
ing single-crown plants in 2 1/2" pots shipped express
collect, \$1.25 each. Shipped only in lots of 25 plants.

SHOW STAR plants, wholesale and retail, are available at the greenhouse almost any time during
the week except Sundays, if you write and tell us when you'd be able to come.

As far as we know, no other violet can approach SHOW STAR in type of
flower and color combination. Imagine this!! Each flower is of true medium
pink in color with a perfect wide blue star. And here's the best part of the
good news! Unlike most violets with stars in their flowers, THIS PROPAGATES
TRUE FROM LEAVES!! It is a seedling I have been working on for several
years through the variety Fantasy. Like Fantasy, when started from leaves, it
will occasionally produce a plant with solid colored flowers (in this case, pink).
However, the greater percentage of plants you start from leaves will be per-
fectly true and will always continue to produce only pink flowers with blue
stars. THIS IS TRULY THE MOST SENSATIONAL AFRICAN VIOLET EVER
OFFERED FOR SALE!!
